The records *must be*, in fact, retrieved by name or other personal identifier to become a system of records for the purpose of this part.

(2) If files that are not retrieved by name or personal identifier are rearranged in such manner that they are retrieved by name or personal identifier, a new systems notice must be submitted in accordance with § 310.63(c) of subpart G.

(3) If records in a system of records are rearranged so that retrieval is no longer by name or other personal identifier, the records are no longer subject to this part and the system notice for the records shall be deleted in accordance with § 310.64(c) of subpart G.

Such a review shall also occur when a system notice amendment or alteration is prepared (see §§ 310.63 and 310.64 of subpart G).

(2) Consider the following:

(i) The relationship of each item of information retained and collected to the purpose for which the system is maintained;
